McALISTER'S METAL RECYCLERS

PTY LIMITED

OCCUPATIONAL HEALTH & SAFETY POLICY

McAlister's Metal Recyclers is committed to providing a healthy and safe workplace for all employees, sub-contractors and visitors.

Resources will be made available to comply with the current legislation and standards to protect the Health, Safety and Welfare of all employees and sub-contractors.

McAlister Metal Recyclers will continue to address hazard control, incident prevention and training as priorities. The company considers Health, Safety and Welfare an integral part of demolition.

Health, Safety and Welfare is both an individual and shared responsibility of all employees.

Acceptances of the following responsibilities are essential to the success of the policy.

All McAlister's Metal Recyclers management shall:

- Plan, Develop, Implement and Monitor comprehensive Health, Safety and Welfare Programs;
- Promote communication about Health, Safety and Welfare as a normal component of all aspects of work; and
- Take effective action to provide and maintain a healthy and safe workplace.

Employees and sub-contractors shall share the responsibility to:

- Work in a healthy and safe manner; and
- Encourage others to work in a healthy and safe manner;
- Cooperate with management in the support of promotion of Health, Safety and Welfare in the workplace; and
- Promptly report incidents, unsafe practices or conditions that become apparent and work with others to promote a safe workplace.
